

**From the Café
Lunch Account Balances
May 20, 2014**

**Molin Upper Elementary
Nock Middle School**

Dear Parents and Guardians

As we approach the end of another school year we are in the process of collecting all outstanding balances on student's lunch accounts. In recent weeks individual notices have been sent home to notify parents of negative balance of \$8.25 or more which is the cost of three lunches.

As of May 27th lunch charges on any account with a negative balance of any amount will no longer be allowed. If necessary an alternative lunch (cheese sandwich with fruit, veggie sticks and milk) will be provided to any student with a negative balance.

Checks or cash can be sent into school at anytime or mailed to the Nock Middle School, Foodservice Department, 70 Low Street, Newburyport Ma 01950. Please make sure all payments are identified with your child's complete name and pin or student ID #. Any balance left in a students account at the end of the school year will automatically be transferred into their lunch account for the next school year.

Please take a moment to login to www.myschoolbucks.com to check the balance on your students account prior to the 27th. Payment history and lunch transaction information are also available online. The Food Service Department can be reached at 465-4460 with any additional questions.

Thank you in advance for your attention to this matter; have a happy and healthy summer!

Sheryn Seale
Food Service Director
