NEWBURYPORT PUBLIC SCHOOLS

Dear Parents,

The second trimester report cards will be sent home in the mail on Monday. I want to make you aware that the Explore class grades that you will see are the final grades from the first semester explore courses. Academic classes are graded in trimesters and the explore grades change at the semester mark which ended in late January. The grades for the explore class your child is currently taking will be on the final report card.

The ELA portion of the MCAS exam has just concluded and the window for the Math, Science and Technology MCAS will be from May 6-16th. Thank you for getting your student here on time and thank you for providing snacks, it makes a big difference!

Just a reminder that students will have an early release day next Thursday, April 3rd.

We are preparing for phase 4 of the renovation which means we will be moving most of the 8th grade staff and students into renovated classrooms and will be moving most of grade 6 out to work on their rooms. This is a particularly large phase that also includes the auditorium. Staff has been preparing for the move and will acclimate students to their new locations in the next couple of weeks.

It is my hope that you can join us at Andiamo's on Sunday evening for a fun evening sponsored by the Nock PTO! We appreciate all of the support you give to us and I don't know what we would do without you!

Have a good weekend,

Beth
