NEWBURYPORT PUBLIC SCHOOLS

Dear Parents,

I hope you are well and preparing for the storm! Just a quick update on what is happening at the Nock.

The Nock is about to move into phase 3B of the renovation. We are anticipating getting 3 classrooms back on the 8th grade floor this week and will then move three additional rooms into them. The rooms that are vacated will then be renovated. A fourth 8th grade room will remain the outside entrance for construction workers to get into the building during the day without interrupting education.

The play "Guys and Dolls Jr." is well underway with rehearsals being held daily. Save the dates of March 6,7,8, and 9 for the production!

The annual Nock Middle School Talent Show will be held next Thursday evening in the auditorium beginning at 6:30 pm. All proceeds will go toward the Washington D.C. trip in June.

Our student council members, in collaboration with Pettengill House and NYS, have initiated a food drive to benefit 41 families in the area. The students have put a lot of thought into their approach and have provided each homeroom with a Mac and Cheese recipe and all of the ingredients that go with it. They felt that it would be more fun for a family to make the meal together and enjoy the same warm comfort food that they do. Attached you will find the recipe if you would like to contribute.

Our volleyball club is up and running on Thursday afternoons after school. All students are welcome to come and play. Girls Inc. also has a couple of spaces available for interested girls. They are meeting in the library after school on Tuesdays.

Stay tuned to the weather for any cancelations or delays tomorrow.

Sincerely,
Beth
