

Middle School Moms and Dads!

It's cold out and going out to play after school is getting harder. So now the kids are inside, playing video games or complaining that they're bored. **That's what the Youth Center is for!**

Sr Members (Grades 6-8) can enjoy a warm place to hang out with friends after school every day until 5:30pm. The Youth Center has an indoor multi-purpose room for running around and playing, a snack shack to buy a yummy snack, games, art supplies, legos, board games, a pool table, video games, ping pong, laptops, crafts, cooking activities, homework help, air hockey, tournaments, areas to just chill out and more!

Any child is welcome to come for one day to check it out for free! We find once they come in, the want to come back!

NYS provides transportation to the Kelley School Youth Center from the Nock in bad weather- rain, snow, or really cold weather. Other days the pre-teens walk up together, building their sense of independence and getting a little fresh air. *in case you are wondering the walk is less than .75 miles!

January is the start of a new season!

Get a membership for the rest of the year: \$225

Or just for the winter Jan- March: \$125

Ten visit pass: \$100

The bottom line: \$125 for nearly 60 days. That's two dollars a day. About 50 cents an hour.

Use it every day or just now and then! Once a week for 12 weeks is still just \$10/day. 😊

Scholarships and payment plans are available to those who need it.
