

SUMMER READING 2014 GRADE 6 ASSIGNMENT

TASK: As you read your required summer reading book, take notice of the author's words and ideas. If something strikes you (a phrase, sentence, paragraph, or even a word) for any reason, mark it with a sticky note or use highlight tool on an E-reader. Write the passage and the page number on the sticky note.

You should have a minimum of 3 marked sections per book.

Note the page number on each sticky and place your sticky note in the correct boxes.

Choose a *text to self* passage of the book (line, sentence, or paragraph) that...

- 1) Makes you stop, think, and say whoa!
- 2) Makes you angry, happy, sad, proud, etc.
- 3) Reminds you of something in your own life, a memorable moment (good or bad)
