

Coins for a C.A.U.S.E to benefit Newburyport PTO in April

Got Coins?

Bring your change to Institution for Savings to exchange it for paper money during the month of April to support Newburyport PTO.

Under the Coins for a CAUSE (Coins Add Up to Support Education) initiative, the public pays a 5% fee to use the coin machines in any Institution for Savings office. The Bank then donates 100% of fees collected during the month to a local parent-teacher organization. This month, it's Newburyport PTO's turn!
