

National Food Day is October 24th

Please join our Faculty, Staff and Students district wide by participating in Food Day – Food Drive!

What better way to celebrate National Food Day than a Food Drive to benefit The Pettengill House in Salisbury Mass? This nonprofit social agency provides much needed assistance to individuals, children and families in our communities. Please participate in this Food Drive to show your support for those less fortunate.

Tables will be set up in the High School & Middle School Cafeterias, with a box for each grade level. Yes, we are throwing out a Class Challenge to you. Let's see which class can get the most donations to help these needy families. The winning class will receive a Frozen Yogurt Party!!!

At the Bresnahan Elementary School, there will be a donation table set up in the Cafeteria. All students making a donation will receive a special sticker.

Donations may be brought in from October 24th – November 7th

Let's show that the Newburyport School District has indeed, "All the Right Stuff" to make a difference for those in need!

Below, please find a helpful list to guide your donation choices, provided by The Pettingill House:
