Dear Nock and Molin Families,

We are doing an end-of-the-year food drive for the Pettengill House. We will be collecting food and toiletries for the Pettengill House next week from June 8<sup>th</sup>-June 12<sup>th</sup>.

Currently the Pettengill House is in great need of toiletries and cleaning supplies for its clients. Specific items needed include: laundry detergent, liquid body soap, shampoo, deodorant, toothbrushes, toothpaste, and toilet paper.

The Pettengill House also is growing fresh produce this summer with its clients and therefore, they're in need of the following food products: olive and/or vegetable oil (for cooking veggies), spices, ketchup, mustard, and marinades.

The director at Pettengill also stated that normal everyday sliced sandwich bread along with hot dog rolls and hamburger buns are like "gold" when they come in because the bread that is typically donated to Pettengill by area restaurants is the unsliced and hard variety which is hard for many of their elderly clients to chew.

The need is greater than ever during the summer months for those who do not have the resources to provide for their families. Please do what you can to help us stock the shelves at the Pettengill House and to show those who struggle that they are not alone.

Thank you.
