

Honoring Teachers and Contributing to the Newburyport Public Schools

Teacher Tribute

The Newburyport Education Foundation
Teacher Tribute Program

benefits the Newburyport Public Schools.

Many teachers are honored with end-of-school-year gifts....

Make sure your special teacher is one of them!

Recognize a teacher, administrator, or mentor by donating to the NEF Teacher Tribute Program and benefit the schools at the same time. You can donate online at www.NewburyportEF.org or mail in a flyer available in school offices. Your honoree (or honorees) will receive a personalized card including your message and a message from the NEF explaining you donated to the NEF in their honor along with a Teacher Tribute pin. An NEF volunteer will deliver the card and pin.

It's as simple as a few clicks for you and it helps the schools enhance education at the same time!

Your donation is tax deductible.
