NEWBURYPORT PUBLIC SCHOOLS

Dear Nock families,

Today we had a fun celebration of summer reading. The genre for this year's reading program was mystery. Students read one of several mystery titles and were introduced to the seven elements of a mystery.

To bring our community together and emphasize that reading can be fun, a team of teachers created a school-wide Clue game that we played today. Students had to figure out who was selling A's from our Aspen X2 grade book program. Like Clue, there were suspects, tools (in our case a list of technology tools) and rooms. Clues were delivered to student groups through video, audio, paper and over our PA system.

I want to send a big thank you to all the teachers and staff at the Nock who spent many hours developing and facilitating this day of mystery for our students! And thank you to our students who had fun with the game and brought a joyful energy to the building.

Are you wondering who stole the A's? Ask your children!

Lisa
