

CHRISTMAS TREE SANTAS

Christmas Tree Santas is a non-profit organization that donates trees, ornaments, lights, and this year, TREE TOPPERS, to 200 families chosen by the Pettengill House. Families receive these holiday items from Christmas Tree Santas at a special giveaway on Saturday, December 2.

We, the Roberts Family and the Kealey Family, along with many friends, classmates and neighbors, collected lights for 4 years. But this year, Home Depot will be supplying all of the lights for the donation, which is a good thing! This year, without lights to donate, we will be collecting **tree-toppers** for the donation. (For example, a star, an angel, or anything else that you would like to place on top of a tree.)

There will be a box outside the main office that says “**Christmas Tree Santas Tree-Topper Donation.**” If you have a tree-topper that you would like to donate, please bring it to the Molin/Nock/ school and place it in the box. Additionally, money may be donated in the form of a check made out to Christmas Tree Santas, and can be given to your homeroom teacher or dropped off in the Molin office. Any small amount of money is helpful! Your support for this organization has been tremendous over the past four years. Please get excited to contribute again!

The collection is for one week only, starting Nov 27th, which is the Monday after Thanksgiving. For more information on the Christmas Tree Santas Organization, go to: <https://www.christmastreesantas.org/>

Thank you for your time and contribution!
The Roberts & Kealey Families
