NEWBURYPORT PUBLIC SCHOOLS

September 11, 2017

Dear 6th grade families,

Welcome to the Nock family! I hope you and your child have had a smooth transition from summer to the school year. Our first few days of school are full of engaging experiential activities that allow students to build new friendships, test out new ways of thinking, and practice strategies for solving problems. Throughout 6th grade students will have many opportunities to develop skills and habits that will help them become successful students and lifelong learners.

Our partnership with Camp Kieve is an exciting part of our overall goal of building a vibrant learning community. Kieve educators will visit the Nock October 16-18 for an on-campus program. The camp staff will facilitate three days of adventure-based leadership and problem solving activities. All activities will happen within the school day on the Nock campus. While they are here, the Camp staff will offer an evening session for parents to discuss the goals and logistics of the residential program. Please join us on Monday evening, October 16th for this parent night at 6:30 in the Nock Library.

Our teaching team will continue this work throughout the year, building toward a year-end residential trip to Maine in May. The residential program is a 3-day 2-night trip scheduled for May 16-18, 2018. For more information on Camp Kieve's Leadership Program visit their website (kieve.org/leadership/) where you will find detailed information on both the school-based and residential programs.

Below is a quick summary of the Kieve Program Details:
