

Dear parents and students,

The Nock Musical Theater Department would like to announce that there will be an informational meeting for any students interested in participating in the Stage & Tech Crew for this year's musical production of "*Big Fish*".

THIS MEETING WILL BE HELD ON
MONDAY JANUARY 22nd FROM 2:15 - 3:00
IN THE NOCK AUDITORIUM

At this meeting students will learn about the production, crew jobs, meet the student production managers, and receive materials for the application process. This year's application and screening process is to ensure that potential Stage/Tech Crew members are fully committed and will embrace the high level of responsibility required of them. We recognize that we want you to have 'fun' and enjoy the production process but we also expect you to understand the commitments and privilege of being a part of it. Additional information on this year's musical production can be found at our website: (nockbigfish.weebly.com) but here is some basic info:
