

School Year 2018/2019

Grade 6

Recommended Supplies

Welcome to Middle School! We know that this will be a positive year of learning and growth organizationally, academically, and socially for every child and family. The 6th grade teachers have created a supply list of materials that will assist each student in establishing a system of routines and organizational strategies. Although we know this list works for most students, we do realize that modifications may need to be made to support individual strategies and needs. We are hoping that students will be able to set some foundational structures this year that will assist them in their future years of learning here at the Nock Middle School.

- **Pencils and erasers** (3 boxes of 12 minimum to start the year... two boxes will be collected by homeroom teachers for future use) & **Eraser Caps**

(1) Pen/Pencil bag

- Small plastic pencil sharpener
- Red correcting pen or pencil (2)
- Set of colored pencils
- (2) Hi-liters (different colors)
- (2) Ultra-Thin Sharpie Markers, black
- Ruler: **MUST** have metric measurements
- 1 pk of Post-It notes
- Inexpensive calculator

Loose leaf lined **paper**, (2) **pk minimum (reinforced holes if possible)**

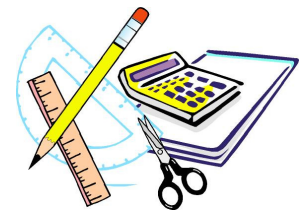

1 pkge White 4X6 lined **index cards (Science)**

*** In an effort to improve organization for our students, we are asking for the following supplies in the suggested colors:**

- 1 1/2 inch binder, **BLUE**, for Math, with 5 dividers
 - 1 single subject composition notebook that fits into a binder (three holes)
- 1 inch binder, **GREEN**, for Social Studies, with 5 dividers
- 1 inch binder, **BLACK**, for Science, with 5 dividers
- 1 inch binder, **RED**, for Language Arts, with 4 dividers
 - 1 composition notebook that fits into a binder

**** All of the dividers should be the “write on” style**

- **Ear buds / headphones**

Students should have back up and additional supplies for the locker and at home. Please consider that kids will need glue sticks at school, and will need to “restock” their pencil bags on a regular basis. We also recommend extra hi-lighters and color pencils for home.
