

Welcome to the Nock Orchestra!

2018-2019

Mission:

It is the mission of the Newburyport Public School Performing Arts Department to provide every student the opportunity to engage in the appreciation, creation and analysis of multiple performing arts modalities. We will provide a 21st century education through embedding technology in each performing arts course, while focusing on the connection with the physical body, voice or instrument. Through culturally sensitive instructional practices, students will experience the performing arts as relevant to their multiple intelligences. Whether students pursue the performing arts at a post-secondary or professional level or engage in it socially, we aim to instill a lifelong advocacy for the impact and power of creativity.

Grading:

- 50% Studentship (Effort, Class Participation)
- 25% Concert Attendance
- 25% Google Classroom Activities (Group or Individual)

Extra Credit: Attend an NHS concert or another Symphony Orchestra concert (BSO, Pops, etc) and turn in program

Studentship: You will be graded on class participation, effort, and binder work. At the end of each class, you will be given the opportunity to give yourself a grade out of 10. You will be graded on doing your best as a student, not on how well you sing.

Concerts: Attendance is mandatory. If you are unable to attend, please let me know so that you can have a make-up assignment. Unexcused absence will result in a lower grade.

Concert Dates:

**Wednesday, January 16th at 6 PM in the Nock Auditorium
Saturday, June 8th (time TBD) on the Waterfront Stage**
